KS1 History & Geography: Knowledge Mat

Why do people remember Florence Nightingale and Mary Seacole?

Key Questions

History

We will ask these questions or each person then compare them.

1) Who were they?

2) When did she become interested in helping people?

3) what did she do to help people?

4) How does her work influence medicine today?

5) How is she remembered today?

Sticky Knowledge

Florence Nightingale was born in Italy to a rich English family.

She was lucky and travelled to different countries.

She said God told her to help people and she became a nurse.

She was sent to the Crimean War to help save lives.

She was celebrated in her lifetime and set up the first nursing school.

Mary Seacole was born in Jamaica.

Her Mum taught her to look after people using remedies from plants and herbs.

She travelled to the Crimean War to help save lives.

She was not celebrated widely in her lifetime and her story was forgotten for nearly 100 years.
